

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN ADJUSTMENT OF GAS AND ELECTRIC RATES	)	
OF THE UNION LIGHT, HEAT AND POWER	)	CASE NO. 90-041
COMPANY	)	

O R D E R

On June 28, 1990, the Attorney General, by and through his Utility and Rate Intervention Division ("AG"), filed a second motion to compel stating that The Union Light, Heat and Power Company ("ULH&P") has failed to adequately provide responses to information requests as required by the Commission's June 8, 1990 Order. The AG also requests an extension of time for one week for each remaining event on the procedural schedule, except for the hearing.

Based on the AG's motion and a review of ULH&P's data responses filed on June 19, 1990, the Commission hereby finds that ULH&P has not provided the information as required by the Commission's June 8, 1990 Order. That Order required ULH&P to respond to the AG's data request, Item Nos. 22, 39, 47 (including all subparts), and 53 (including all subparts), except that invoices, documentation, or copies of journal entries need not be provided.

The Commission has reviewed the AG's and ULH&P's memoranda regarding the provision of Item No. 89 and finds that this information should be provided. However, since the information

being requested is voluminous, ULH&P should only file one copy with the Commission which will be made available for inspection by all parties.

The Commission further finds that while an extension of the due date for intervenor testimony would be disruptive to the current procedural schedule, the AG should have an opportunity to address the information to be provided by ULH&P on July 13, 1990. Therefore, the AG will be given an opportunity to file supplemental testimony, no later than July 20, 1990, to include only those issues brought forth by the data responses filed by ULH&P on July 13, 1990.

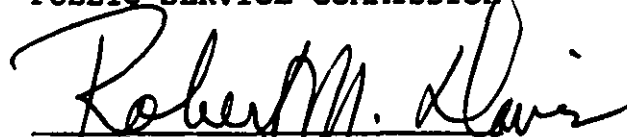

IT IS THEREFORE ORDERED that:

1. ULH&P shall provide responses to AG data request Nos. 22, 39, 47, 53, and 89 as discussed in the findings above, no later than July 13, 1990.

2. The AG shall be afforded the opportunity to file supplemental testimony no later than July 20, 1990, limited to those issues disclosed by ULH&P's July 13, 1990 data responses.

Done at Frankfort, Kentucky, this 9th day of July, 1990.
